

Images: The ik-snap-er-niks-van web-shop front page as of the last days of its existence as an individual website, before the hosting on the web-shop platform became exclusively a paid service, in February 2022.

Ik-snap-er-niks-van has moved since then as a menu/page on the website of Atelier Kapnos. The project's weight is falling now more on visual and textual presentations, in art exhibitions, publications, etc. The T-Shirts and other iksnaperniksvan items, as well as other art items are/will be for sale on this page.
